RUSSIA REVISITED!

"THE HARVEST TRULY IS PLENTEOUS, BUT THE LABOURERS ARE FEW; PRAY YE THEREFORE THE LORD OF THE HARVEST, THAT HE WILL SEND FORTH LABOURERS INTO HIS HARVEST" Matthew 9:37-38

Beloved Partners — *Never* have I felt such cross-currents of emotion as I visited MOSCOW, RUSSIA for the first time! On the one hand, "*Joy unspeakable and full of Glory,*" as we see a COMMUNIST/ATHEIST Nation opening its arms wide to the GOSPEL! From the man on the street to those in some of the highest levels of government, the word is the same — "*WE NEED GOD; we need your moral teaching; communism is bankrupt.*" In some quarters of life the nation is on the brink of anarchy. In some areas no one seems to know who is in charge, but *this condition* is the very thing that has opened the door to the GOSPEL! Yes, *Joy* on the one hand that the door to Russia is OPEN WIDE — but on the other hand, I see a nation on the brink of *total collapse*. As we drove the streets of Leningrad and Moscow we saw *long lines of people* standing in bitter cold for hours at the doors of shops. We would ask our driver, "*What are they waiting for?*" His reply was, "*Oh, that is the bread store, or that is the sausage market, or that is the shoe store,*" — on and on. You name it and Russia is OUT OF IT!

Jan's heart broke as she gave out a few Toys to the children. Only a few suitcases of Toys could be jammed in the back of our small plane, but as we have seen around the world — eyes lit up more for the dolls and trucks than even the food! A bright yellow-haired doll from AMERICA was a luxury beyond description! Partners, Jan says, "*Please keep sending those Small Toys!* With a message of Jesus, IN RUSSIAN, attached to every toy, it becomes a gospel TRACT to young and old."

But quickly let me tell you of our Victories! We met the new Mayor of LENINGRAD, Mr. Anatoliy Sobchak. He reviewed our agreement we had signed with the previous administration. He was most cordial and ordered his deputy to review and proceed with our desire to *build a Christian station in Leningrad*. Before we left his office his aide called Moscow to set us up with an appointment the next day with the Ministry of Communications in MOSCOW! We could hardly believe the speed with which our negotiations were moving! He also agreed that our weekly Praise the Lord Program, produced by Hannu Haukka in Finland, should continue on the Leningrad Network! We also discovered that we can purchase another weekly program — if we will PRODUCE it! I have asked Hannu to proceed with all speed and to seek out Russian speaking EVANGELISTS to help produce it. I said, "Hannu, there has to be Russian speaking Schambachs, Thompsons, Robisons, Hills and others that can Preach the Gospel on TV. Partners, I feel so strongly that our programs must be Hard Hitting pure evangelistic programs. Maybe later we can do more variety programs, but NOW, we have to HURRY! The harvest will be LOST if we don't bring it in NOW! Oh — what an exciting day to be ALIVE!

We then flew to Moscow to meet Mr. G. G. Kudriavtsev, the First Deputy Minister of Telecommunications for the entire U.S.S.R. He was fascinated by our desire to build TV stations in Russia and agreed with us in principle that *it would be possible*, but his advice was to begin with programming on one of the Soviet Networks, possibly the Educational Network. He then sent us to meet with the "Committee for Television Broadcasting." By now our heads were spinning! Mr. Boris G. Sem, Deputy Chairman, was most happy to see us and spoke perfect ENGLISH. What a relief! He told us many things and gave us good advice. Basically, he said, "Send us some Programs. If they are good we will find time for them!"

So Partners, *what do you say?* Shall we send the **POWER TEAM, E. V. HILL, SCHAMBACH** maybe even **REAL VIDEOS** — *All speaking RUSSIAN to TV MOSCOW?*

In some ways, Partners, I feel this is *the KEY*. It would take us *years* to build another TBN in Russia with over 200 TV stations like here in America. Let's use *their stations* and get the Gospel out **NOW!** I do not believe we have time to build enough stations of our own to reach so vast a nation like Russia with *eleven different time zones!*

Finally — and this may be *the most immediate breakthrough of all this trip* — we met with a major motion picture distributor in Russia, (the same one who is helping Bill Bright with the Jesus film), and we have **AGREED IN PRINCIPLE** to Distribute **CHINA CRY** to all the U.S.S.R.! Partners, I told you we would **LIGHT UP** those dark Motion Picture Theatres of the **WORLD** and Glory be to God — **WE ARE DOING IT!** Contracts are being written by Norm Juggert, our TBN Secretary and Attorney, and we will have a great **CHINA CRY** Premiere in **MOSCOW** in 1991! *Would some of you like to go with Jan and me and a group of TBN Programmers?* We'll let you know more as plans progress.

Oh — Beloved Partners — How can Jan and I thank you enough for making this great *Harvesting Network Possible* — 242 Stations — a New Satellite (this year) — Stations *on the air* in Italy, So Africa, Nevis, St. Lucia, El Salvador, Costa Rica, Guatemala, Bolivia, Belize — Stations on the way in Brazil, Chile, Zaire, Uganda — four Holy Beamers — a Major Motion Picture, and now even a **Powerful Shortwave Radio Station** covering the **WHOLE WIDE WORLD!**

The Harvest is pouring in! Thank you, Jesus! "Even so, **COME LORD JESUS!**"

Jan and I send our love, thanks and prayers once again, believing God with you for all of your needs and desires.

Stay tuned — *More news at 7:00 P.M. (west coast time) on PRAISE THE LORD!*

We love you!

Paul

Phase 1 — Christian TV Programs in Russian Phase 2 — TV Stations

Though satan did his best to stop us from ever stepping foot again ➤ on Russian territory — with a major engine problem & a blown door seal all before we ever got to Russia — as usual, "he shot himself in the foot" as we renewed our determination & continued on safely because of **YOUR PRAYERS**. (Thank You, **GRAMMAS!**) The **VICTORY** we have to report — We met with the new Mayor of **LENINGRAD**, Mr. Anatoliy Sobchak. He reviewed our agreement drawn up by the previous administration and is proceeding with the plan to have Christian TV in Leningrad! Before leaving his office, his aide had set up an appointment with the Ministry of Communications in **MOSCOW!** Partners **THREE** Christian TV programs are **ON THE AIR NOW IN RUSSIA** — and the Door is **OPEN** for **MORE** — If we'll **PRODUCE THEM**. Will **YOU** go with us another mile — to reach these precious people in **RUSSIA** with God's Love?

There is little time left before the night of 1988 all work comes to an end."

In this picture, we are standing in front of the Cathedral of St. Basil, in Moscow, the design of which has a fascinating history. Its DOMES and COLOR DESIGNS were to symbolize the diverse people who were waiting for the Light of the Gospel! Russians of that day believed God had ordained them to be the successors to the Roman empire, destined to witness the Second Coming of Messiah. In Red Square there is a massive Gate inscribed with the words, "Kremlin Gate of the Redeemer." Lenin's tomb stands across the Square as a silent witness to the failure of the Church to stand up for their religious rights and to proclaim the Gospel which yet prevails in the hearts of many Russian people.

"I have set before thee an OPEN DOOR"

For years Paul has said, "I believe we will be ON THE AIR in MOSCOW, RUSSIA before Jesus comes!" Many of you TBN Old Timers will remember and perhaps some will recall thinking maybe he's stepped over from faith to presumption! But Partners, THREE Christian programs are NOW ON in MOSCOW and the Door is WIDE open for MORE! We met with their equivalent to our FCC in Moscow,

and they are saying "Send us Programs! If they're good, we'll find time for them!" Never has there been such an open Mission Field AND a sense of URGENCY to MOVE through this Window of Opportunity as there is NOW! How long this door will remain open to send Christian TV programs to Russia — we do not know. Do you see what God is allowing us to do? YOUR support will help produce RUSSIAN-SPEAKING Programs! Let's send these programs NOW before it's too late!

OUR LOVE GIFT TO YOU FOR FEBRUARY...

"MOVING THE HAND OF GOD" By John Avanzini

Have you ever been confused by UNANSWERED PRAYERS? Have you claimed and confessed and still not seen the answer? In fact, God has invited His children to command His hands to move! "...Concerning the work of My hands command ye Me." Isaiah 45:11 But HOW do we move the hand of God? John Avanzini has discovered another key to ANSWERED prayer — found in the Word of God. Many of you will recall some of John's unforgettable messages on MEMORIALS to God. In this little book, he has provided a complete study on this powerful key to answered prayer available to the child of God.

Jan and I want YOU to have YOUR prayers ANSWERED! Write Today and ask for "MOVING THE HAND OF GOD" as you enclose your gift or Praise-A-Thon Pledge.

We love you!

Paul & Jan

THE HARVEST IS GREAT AND THE WORKERS ARE SO FEW!

Everywhere we went in Russia — from the people on the street to the highest government officials — people were saying, "We need GOD — we need HOPE — we need JOY — we need your Christian MORALS!" The communist system is bankrupt! The people are starving for the Good News of JESUS! It was Paul's joy to give this Russian Couple a BIBLE in the Russian language (we provided thanks to John Kerner, our interpreter). We were touched not only by the spiritual deprivation; but also by the lack of availability of basic material necessities. People waited in long lines even for a loaf of bread. Jesus said, "He hath anointed me to preach the Gospel to the poor..." We have never FELT such a POWERFUL anointing of the Holy Spirit as we have in Russia! Once again, "the beautiful black haired lady" came up to Jan, (this time in the crowded Moscow airport) and handed her a piece of CHOCOLATE (an unbelievable luxury there), then smiled, nodded and walked away. There was no question in our minds this "special messenger" was sent by the Lord to confirm this "Moscowdonian" Call!

"CHINA CRY" TO BE RELEASED IN THE SOVIET UNION!

The BIG Victory of the trip came as we met with a Major Motion Picture Distributor in Russia who AGREED in principle to release and distribute "CHINA CRY" — in Russian — throughout the USSR THIS YEAR! We know the hour is late and we are using the most effective means possible to spread the Gospel to approximately 300 Million people — The Christ-honoring movie, "CHINA CRY" — Christian TV Programs & Building TV Stations — AND 24 hour KTBN Shortwave Radio! This is the HOUR to MOVE QUICKLY! "All of us must quickly carry out the tasks assigned us by the One who sent Me, for there is little time left before the night falls and all work comes to an end. But while I am still here in the world, I give it My Light." Jn. 9:4-5 YOU can make an ETERNAL difference for 300 Million SOULS in the Soviet Union!

With the message of JESUS attached — a Toy is a Powerful Gospel Tract!

How can I begin to tell you about the JOY on the children's faces as they realize a beautiful TOY from America has been given to them, in JESUS' name! Can you imagine the reaction of these precious children in the U.S.S.R., where even the basic necessities of life are often so difficult to obtain? The Good News is that these dear children are now able to watch SUPERBOOK, Creation Vs. Evolution, and Hannu Haukka's Christian Program (which is similar to Praise — You TBN Partners purchased 2 TV cameras for this Hannu's program produced in Russian). We're looking NOW to make "lip-sync" Russian versions of John Jacobs & The Power Team, R. W. Schambach, E. V. Hill, PRAISE THE LORD and a favorite of young people — Real Videos! Even before the International Production Center is ready, we'll be sending Christian TV Programs, in the Russian language to this needy land where the hearts of the people are hungering for the Gospel! Please Write Today — Send the Good News to Russia!

KTBN Shortwave RADIO is ON THE AIR — reaching around the WORLD!

"Drop down, ye heavens, from above, and let the skies pour down righteousness: let the earth open, and let them bring forth salvation, and let righteousness spring up together; I the Lord have created it." Is. 45:8 "HELLO WORLD!" The WHOLE WIDE WORLD can hear us NOW! KTBN Superpower (2.5 Million Watts) Shortwave RADIO is ON THE AIR broadcasting the Gospel literally around the WORLD, in a 24 hour period. Paul is pictured here standing near the mass of wires which makes up the Powerful Transmitter of KTBN (located in Salt Lake City, Utah). We've been receiving Loud & Clear signal reports from Liverpool, England, Beijing, China, Bombay, India, Sydney, Australia, Canada, Central America and on and on! And, Yes, ALL OVER AMERICA, too! So From 8 a.m. to 6 p.m. (Pacific Time) TUNE your SHORTWAVE Radio to 15.590 MHZ — and from 6 p.m. to 8 a.m. (Pacific Time) TUNE to 7.510 MHZ. All our servicemen & women have Shortwave Radios, (Thanks to Pres. Bush.) There may be NO Christian TV in Saudi Arabia, BUT Glory be to God, KTBN RADIO is ON THE AIR — even in Saudi Arabia! Please Love and Support this Worldwide Missionary!

TBN CABLE IS SPREADING ACROSS AMERICA -- & YOU CAN HELP!

Do you watch TBN on cable TV? Imagine turning your cable TV on someday to watch TBN and it is not there! This has happened in some cities in America.

The cable systems are under pressure to put on more sports, news and movie channels. Sometimes special-interest religious groups demand their own channel and mount a campaign to get their channel on. If the cable system manager perceives that there is more of a demand for these other channels than TBN, then there's a possibility TBN might be taken off.

You can help to keep TBN on your cable system by sending a letter to the cable manager in your city. Let him know that TBN is important to you and it is one of the main reasons that you subscribe to cable TV. Many times cable companies will include a survey with your monthly bill. Please do not throw it away, but fill it out and cast your vote for TBN. Call your friends and ask them to fill out the survey or have them write a letter too. *Most important, thank the cable company for having the TBN channel.*

If TBN has been taken off cable or is not available on cable in your area, then you can help to get TBN back on cable. Cable companies will usually give the viewers what they want if they see that there is enough demand for a certain channel. You can help to generate that local demand by asking local church leaders and local Christians to write the cable company requesting the TBN 24-hour Christian channel. You can contact the TBN Cable Marketing Department for an information packet to help you get TBN on cable in your area: CALL: (317) 535-5542, OR WRITE: TBN Cable Marketing, 2528 U.S. 31 South, Greenwood, IN 46143.

TBN is also on many TV stations in America. There is a complete list of TV stations on the back of this page. If you are in or near one of these cities, then you can pick up TBN on your UHF dial. Please refer to the UHF antenna hook-up instruction below to provide you with the best TV reception. If you already have cable, you can have an A/B Switch installed to watch TBN on your UHF antenna and still be able to switch over to the cable channels.

Remember, you can always buy a satellite dish and pick up TBN 24 hours a day on Satcom 3R. Some satellite dishes and receivers can be purchased for a budget, no-frills package for under a thousand dollars from local suppliers in your area. Thank you for Spreading the Gospel across America! — Bob Higley, National Cable Marketing Director

HOW TO RECEIVE TBN THROUGH THE AIR

1. First, you need a good indoor or outdoor antenna.
2. Connect the antenna to the TV set. Some sets have screw terminals, some have a 75-ohm coaxial connection. If using an outdoor antenna, you will need a splitter to connect both the UHF and the VHF.
3. If using an indoor loop or bowtie antenna, connect directly to the UHF terminals.
4. Even if you are connected to cable, you can still receive UHF. Most cable companies only use the VHF terminals, so you can still connect an antenna to the UHF terminals. If your set only has one coaxial terminal, installing an "A-B" switch will allow you to switch the incoming signal from either cable or an antenna.
5. Tune your TV set to the proper channel. If your set has two dials, turn the VHF to "U" and the UHF dial to the proper channel.
6. If you have a digital tuner, tune to the proper channel, or adjust the pre-set dials on your set or VCR to the proper channel.

SPECIAL MEETING

OF

TRINITY CHRISTIAN CENTER OF SANTA ANA, INC.

A special meeting of Trinity Christian Center of Santa Ana, Inc. was held on February 20, 1991 at Tustin, California. All directors were present or were represented by proxy.

The board considered a letter dated February 15, 1991 from International Russian Radio, Inc. of Finland. It was noted that at our February 11, 1991 meeting the corporation offered International Russian Radio assistance in the purchase of television equipment in an amount that was not to exceed \$150,000. The February 15 letter indicated that equipment with a cost of approximately \$327,000 was needed. The directors discussed the fact that U.S. prices are generally much lower than Finnish prices. It was therefore unanimously determined that International Russian Radio be encouraged to provide a description of equipment that was highest on its priority list and that we supply said equipment at a cost not to exceed \$150,000. Additional equipment will be considered depending upon the results of our next telethon.

The board then discussed the annual audit for 1990. A bid from Goodyear and Goodrich was considered. They proposed to perform the audit for an amount that would not exceed \$50,000. The board voted to accept their bid.

The purchase of approximately 33 acres in Coleyville, Texas was discussed. The property is improved with a ranch house, barn and related facilities. The board discussed the value the property will provide for the rehabilitation ministry of Set Free as well as potential appreciation in monetary value. It was moved, seconded and passed that the President be authorized and empowered to execute offers, escrow instructions, contracts and other documents required for the acquisition of the property upon such terms as the President deems to be in the best interests of the corporation.

The meeting then adjourned.

RE: Window Applications

Dear George:

As you know, we received the go-ahead from Jane last night to begin the preparation of 19 TBN and one NMTV major change application for filing during the upcoming window. Kevin has been informed of the go-ahead, and will begin work today.

To complete the legal portion of the application we need the site information for the following applications:

W02BN, Biloxi, Mississippi;
W26DD, Kalispell, Montana;
W32AR, Lexington, Ohio;
W52BC, Montgomery (Selma), Alabama;
W66BJ, Myrtle Beach, South Carolina; and,
W65CE, Shreveport, Louisiana;

As we discussed, we hope that we can speed up the process by agreeing on a list of "for sure" applications so that Kevin and I can prepare the requisite parts of the applications simultaneously. When Kevin's engineering arrives in our office we can send the entire package west for execution, spreading out the workload and reducing the last minute panic (we hope).

As we discussed yesterday afternoon, I believe that an announcement concerning the window may be released within the next 10 days, perhaps as early as February 28.

Because the window notice will include geographical limitations around certain markets, however, the announcement will give more than the usual 30 days lead time, the window will actually open some 40 or 45 days after the announcement. I was told that my guess of a window opening in mid to late April was very close to the projected date.

RE: Fees for Upcoming LPTV Applications

Dear Jane:

In anticipation of the LPTV window, we have calculated that approximately 45 major change and or new applications will be submitted on behalf of TBN and/or National Minority TV, Inc. Accordingly, as we have done in past years, it would be helpful if you could coordinate between these two groups to have the required filing fees (\$425.00 per application) deposited into our escrow account so we can cut the checks as the applications are finalized.

If my numbers are correct, we are currently anticipating \$19,125.00 in total filing fees. Give me a call if you have any questions or comments.

Best regards, sincerely,

Colby M. May
